Written notes are always welcome as well!

• My Job

1. To keep your child safe.

1. To help your child do his or her best learning.

• Your Child's Job

- To be safe and to keep keep our community safe
- To be ready to learn
- To do his/her best learning

Class Community

- Our classroom is a community.
In our community, we have rules to keep us safe, to help us get along with each other and to help us do our very best learning.

Our 5 class rules are:

1. Follow the directions the VERY first time.

(This is something that is still developing! Your support and reinforcement at home is so valued!)

2. Show Respect.

To our teachers, classmates, materials and our school.

3. Be safe.

Keep your body safe, keep others safe, keep our school safe.

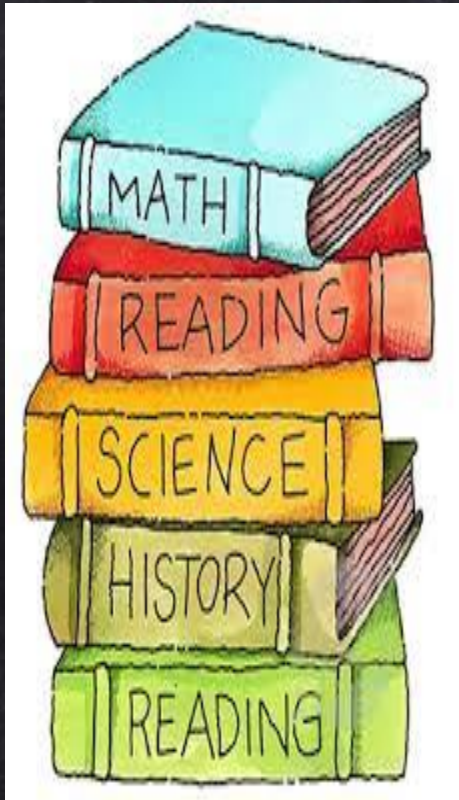

4. Be ready to learn.

Stay organized so you can find all your tools and supplies.
Show whole body listening.

5. Do your best.

Always give your best effort and be the best learner you can be.

Academics

- ELA (English Language Arts):
Reading , Writing, Spelling,
Speaking
- Math
- Science
- Social Studies
- Specials - Music, Art, Wellness, &
Spanish
 - Library/Computers and Guidance
Lessons

Fundations

- This is a systematic approach to phonics. Building upon the foundation of Kindergarten skills, first grade students will be learning more about letters, sounds, and syllables to help strengthen their reading, writing, and spelling vocabulary.

Math

- Number Sense & Place Value- Comparing Higher Level Numbers
- Measurement using non-standard units
- Time (to the hour and half hour)
- Money (identifying coins and counting coin combinations)
- Problem Solving
 - * Represent and solve addition & subtraction problems
- Represent and Interpret Data
- Geometry - shapes and attributes
- Skip Counting and working with equal groups
 - * builds foundation for multiplication

** Math Facts up to 10

Homework

- Homework due on Friday!
- Reading (4 weeknights Mon -Thurs, 10 min each night)

Starting in October

- Continue with the Reading homework
- Weekly Spelling words to review and practice (10 min/2 times per week)
- Math fact strategy practice games (10 min/2 times per week)

How to Help Your Child

- Help your child be organized
 - Daily folder
 - Notes/checks
 - Remind child what was ordered for lunch

Prepare materials for specials if needed (ex. sneakers for Wellness Days 2 and 6, Library books on Day 4, etc.)

Help your child (and our classroom) stay healthy

Pack nutritious snacks and lunches

Water bottles

Health guidelines

Wish List

- Thank you for the contributions of tissues, hand sanitizer and clorox wipes. These are things that we continue to need throughout the year, so if you would like to donate in the future, it is greatly appreciated!
- If you are interested in donating additional items, our class could use Mr. Clean Magic Erasers and individual packages of goldfish crackers (for those students that accidentally drop or spill their snack on the ground.) Thank you for your generosity.

We're looking forward

to a Great Year!
