Trick Words to continue practicing this week:

be, me, he, we, she

** Although, there are 5 words this week, we are continuing to review and focus on trick words with specific spelling patterns. These words should be easy as practice will help to help build quick recall for both reading and writing of these words, in addition to helping to strengthen confidence and develop increased stamina for homework. Thank you for your support at home!

3. Math

Play the enclosed math game 2 nights of the 4 nights to practice math facts.

Fact Practice

Please record the facts from the game that were practiced on your homework log.

10 minutes

For the next two weeks, we will play a different version of the game "Roll It, Solve It, and Cover It" to practice our math facts. This version of the game will focus on the Math Fact strategy "Minus One". Please be sure to save this game board for next week!
