

## *How to Play*

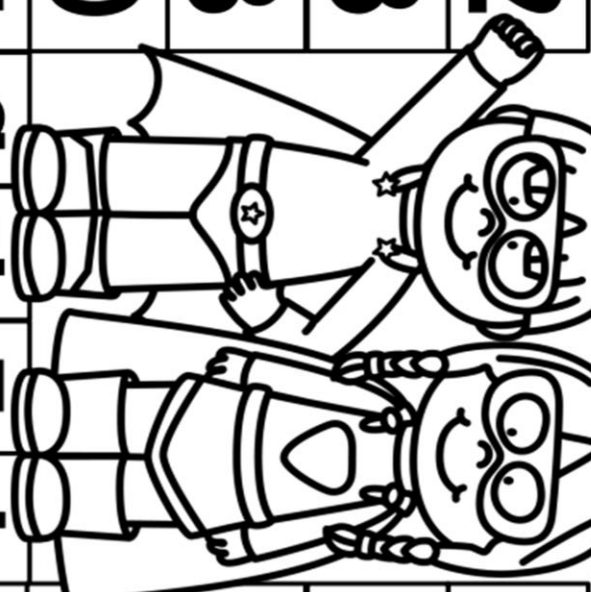

Friends of 10 Cover Up! is a great game to build and consolidate Friends of 10 number facts.

A game for 2 players.

Using counters, players take turns to cover two numbers that make 10-  
Friends of 10. Play continues until all possible Friends of 10  
combinations have been made. The winner is the last player to cover  
a Friends of 10 combination.
