

# SNAKES AND LADDERS

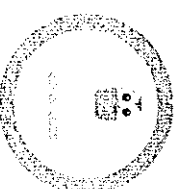

## Friends of 10

### Instructions:

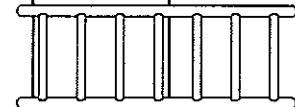

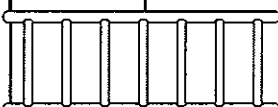

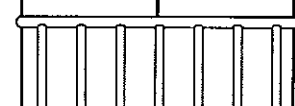

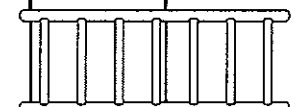

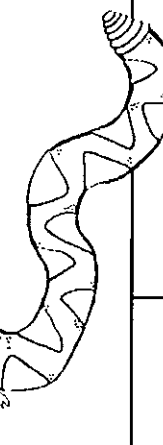

2-4 players

A dice and colored counters are needed.

1. Each player chooses a colored counter and places it at the 'start.'
2. Each player rolls the dice. The player who gets the highest number goes first and then it is played in a clock-wise direction.
3. Player one rolls the dice and moves their marker.
4. The player answers the equation before moving to the next player.
5. If a player lands on the bottom of a ladder they move up and if they land on a snake, they move down.
6. This is continued until the first player makes it to the 'finish.'
